- 1 Please help the league and play with next team that comes up to the box. Don't wanna hear waiting on another group and three teams ready to
- 2 If you tee off before 4:30 please do not start on odd hole. Start on 1 or 10 (whichever side we are playing)
- 3 If you tee off after 4:30 you may try to find a hole if one is available otherwise just start on first hole.
- 4 If your team will not be showing, please call the golf course so we can let the others know if any more teams are showing
- 5 If we have an odd number of teams the last team will have to catch up to the last group and play sixsome
