  - b. #18 Longest putt.

### Handicap Parameters

1. 90% of the previous 8 scores throwing out 1 high and 1 low will be used for figuring handicap
2. 14 Limit on handicap.
3. Double par rule
4. There will be no handicaps awarded on par 3's.
5. If a team drops out, or there is an odd number of teams you will play against a net 40.

### Points parameters

1. Total possible points each week is 15 points.
2.
  - a. 1 point for Team vs Team for each hole (9 possible).
  - b. 1 point for Team vs Team net scores for the match (1 possible).
  - c. 5 point for showing up and playing your designated opponent.

### Rules

1. In case of absence and no makeup, net 40 will be used. (This will not affect the team's handicap).
2. Gimmes – Gimmes are common in league play. Rule of thumb on gimmes; if your opponent gives you the putt, pick it up and count that as a stroke. IF they don't give it to you, putt it out.
3. Skins game will be optional \$2/person or \$4/team.
4. Chip ins have increased to optional \$.50 a person. You have to be signed up prior to your round to qualify. Chip-in is classified as any shot that goes in the hole, FROM OFF THE GREEN. I.E. if you use your putter from off the green and it goes in, that is classified as a chip in.
5. **Do not give birdie or eagle putts.** This may affect the skins game in your league as that may not be fair to the rest of the field.
6. **Tree Root Rule:** We are not here to break clubs and wrists. If your ball is near a tree root you may move your ball to closest hittable area.
7. If you are unable to obtain a sub, you may play your teams position by playing by yourself and use two shots and two putts are permitted.
8. Starting time will be based on the latest tee time of the teams playing, 15 minute grace period will be allowed, if a team does not show by the designated time plus 15 minutes, then the other group may go ahead and play golf.

9. Out of respect to the other golfers please call your opponent first, if you cannot play at the scheduled time. If you cannot get a hold of your opponent call Prairie View and advise them 419-568-7888.
10. If you are unable to play on league day, you can make it up before closing time on the following Sunday. Call your opponent to see if they can play with you to save show up points.
11. Observe Prairie View course rules. You get a one club length for all shots in the fairway, roughs and fringes. The one club length can be no closer to the hole. Putt from same spot on the greens.
12. In case of inclement weather call the golf course to see if we are going to play. Final decision will be made by 3:00 P.M. by Prairie View.
13. First half winners will play second half winners for a 9-hole playoff.
