- If for some reason you cannot attend on July 12th because of church or other prior commitments, please notify Doug. You will still be allowed to play in the Club Championship however your round with your opponent would need to be completed ASAP so we can keep things moving along.
- If you are able to advance, please check the brackets and get a hold of your next opponents and play within a week to a week and half to keep the tournament moving along. We understand that there will be vacations but please try keep it at a reasonable amount of time.
- After seeing the amount of participants in each division the golf course will determine number of people in each flight.
